Whether you prefer a formal, informal or more candid approach to your wedding I can provide you with images that you will cherish for a lifetime.

Of course, I can do both...

...without intruding on them.

All images are created in full colour
but can be adapted to
suit your own taste or style.....

Ebony, Sepia, Denim.....any colour you like....

Bob Litchfield – Photographer....

Often I'm asked to give a package price on a wedding, usually by email, with few or no details about what plans the couple may have for their day.

My reply is to ask that they provide me with some details of their plans, how else can I know what service to provide if I don't know what it is they require?

So please, contact me...

Tell me what you have planned, your hopes & dreams for your wedding day, then allow me help you to make them come true....
